## Apex Resources Announces Non-Brokered Private Placement

**June 8, 2020, Vancouver, BC – Apex Resources Inc.** (TSX-V: APX) (“**Apex**” or the “**Company**”) is pleased to announce that, subject to the approval of the TSX Venture Exchange (the “**Exchange**”), it intends to complete a non-brokered private placement (the “**Private Placement**”) and raise total gross proceeds of up to \$750,000 through the issuance of approximately 5.75M units (the “**Units**”) at \$0.065 per Unit for gross proceeds of up to \$375,000 and the issuance of approximately 3.4M flow-through units (the “**Flow-Through Units**”) at \$0.11 per Flow-Through Unit for gross proceeds of up to \$375,000.

Each Unit is comprised of one (1) common share (the “**Shares**”) in the capital of Apex and one (1) non-transferable share purchase warrant (the “**Warrants**”). Each Flow Through Unit is comprised of one (1) Flow Through common share in the capital of Apex and one (1) Warrant.

The Warrants attached to the Units and Flow-through Units will be exercisable into one Share of the Company for a period of 12 months from the date of issue at an exercise price of \$0.14 per Share. The Warrants are subject to an acceleration clause whereby if the volume weighted average closing price of the Shares on the Exchange is \$0.20 or more for 21 consecutive trading days at any time subsequent to the expiry of six months from the date of issuance of the Warrants, then the Company will earn the right by providing notice (the “**Acceleration Notice**”) to the warrant holders, to accelerate the expiry date of the Warrants to that date which is 30 days from the date of the Acceleration Notice.

All securities issued in connection with the Private Placement will be subject to a hold period and may not be traded for four months plus one day from the date of closing of the Private Placement. Net proceeds from the Private Placement will be used for an expanded drill program on the Ore Hill Property and for general working capital.

The Company welcomes all qualified investors to participate in the Private Placement.

### About Apex Resources Inc.

Apex is a Canadian gold exploration and development company focused on British Columbia and the Yukon Territories. Apex has a portfolio of quality properties including:

1. The Mount Anderson gold-silver property in the Yukon.
2. The Kena-Daylight gold property in southern BC under option to Prize Mining Corp.
3. The Jersey-Emerald tungsten-zinc property in southern BC.
4. The Ore Hill gold property in southern BC.

Apex management has a track record of mine discovery that includes the discovery and development of the renowned Hemlo Gold Mine in Ontario and the Mengapur copper-gold-molybdenum porphyry deposit (225Mt @ 0.59% Cu equivalent) in Malaysia now under development by Monument Mining Ltd.

## 2020 Exploration Program

In 2020, the company plans for continued exploration at Ore Hill. The scale of the exploration program is dependent upon completion of financing. All permits are in place for an expanded drill program which will commence upon completion of a structural geological mapping program to assist with fine tuning the drill target areas. Drilling will step out from the initial 2 holes to test the strike and down-dip extension of the gold mineralization encountered during the 2019 program.
